We provide our clients unrivaled access to sophisticated and custom-tailored solutions delivered by experienced professionals with proven track records of success.

## OFFERINGS

### INVESTMENT BANKING / ADVISORY

Our group provides investment banking, operational improvement and restructuring services to meet our clients' evolving needs during times of expansion and growth, volatility and turnaround. We also provide real estate services, including property management and equity investments.

We raise capital, execute merger and acquisition transactions, restructure debt and enhance operational processes to deliver turnkey financial and operational solutions to both well performing and underperforming businesses. Our professionals have a wide range of industry expertise and offer additional insight into the energy, healthcare and real estate sectors.

### AGENCY SERVICES

We provide administrative agent, collateral trustee and special servicing administration for billions of dollars of investment and non-investment grade loans across multiple industries.

Our professionals have the experience of working with borrowers and lenders in financially challenging situations. We offer full-service agency functions to resolve the issues of traditional and distressed syndicated debt administration to hundreds of leading financial institutions worldwide.

### COMMERCIAL BANKING

We provide a range of lending products and deposit services to meet the short and long-term demands of corporations, financial institutions, middle-market businesses and real estate investors.

Our professionals help our clients optimize cash flow, manage liquidity and create complex financing structures to support their expansion initiatives and efficiently conduct business.

### MORTGAGE BANKING

Our group offers competitive pricing for both wholesale and correspondent channels as well as warehouse lines of credit for large mortgage bankers.

With a strong understanding of the market and its issues, our professionals take timely and effective action to ensure success. We partner with our clients to provide flexible and reliable capital for their mortgage banking needs.
